ECHUCA EXPLORER

SATURDAY 8TH JULY 2017

Steamrail invites you to join our tour today to the historic Murray River township of Echuca. This will be a chance to travel behind our 1951 built Hudson steam locomotive R711 and to relax in our magnificently restored country E and S type compartment carriages.

Our journey for the forward trip will take on a different route through Seymour and Murchison East and branch off on to the rarely used cross-country line from Toolamba to Echuca. This line seldom sees passenger trains as it is a freight only line. So sit back and relax as we wind our way through to Echuca.

Upon arrival in Echuca there will be just under four hours to experience country hospitality at your leisure. There is the Port of Echuca, famous for its wharf and paddlesteamers. Grab a bite to eat in one of the many pubs or bakeries along the way. Alternatively you may opt for one of the packages we have put together, making it easy to enjoy your time here.

EMMYLOU PADDLESTEAMER CRUISE WITH LUNCH

Two hour paddlesteamer ride on the famous Emmylou with lunch and a glass of wine, beer or soft drink included in the price. This boat sales at 1.15pm so you can either take a lovely walk to the port or a bus is provided for easy transfer. This option is limited to 30 people only.
