STEAM INTO THE HEART OF GIPPSLAND...

SNOW TRAIN

SATURDAY 27TH JULY & SUNDAY 4TH AUGUST

Join us for our excursion to the snow – by steam train, of course. Forget the car for a relaxed day out with family and friends aboard the Vintage Train.

Settle back in your compartment and before long, Melbourne will be lost in a trail of steam and smoke as we journey into the fertile farming district of the Latrobe Valley.

The locomotives will work hard as we climb through the green Gippsland hills around Bunyip, Longwarry and Warragul before we make our first stop at Moe. Here passengers can choose from the following options...

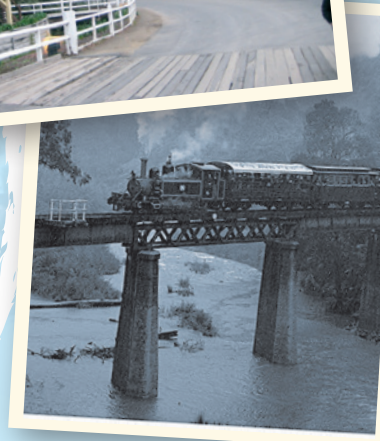

MOUNT BAW BAW

Enjoy the journey through to Moe, where you will disembark for travel by comfortable coach through scenic mountain forest to the snow. Explore the alpine forests with their unique fauna and crisp mountain air as you wander through the snow. As this is a full resort, you are able to hire, toboggans, skis and clothing, to use in the snow. Departure from the mountain is at 4pm, to return to the station for a 5.30pm departure from Moe.

EXPLORE WALHALLA

For those preferring warmer surroundings, travel by comfortable coach through scenic mountain forests to the historic goldfields town of Walhalla, where you may wish to partake of a lunch at either the Walhalla Lodge Hotel or the Walhalla Goldfields Railway goods shed for an optional two-course hot lunch (please book your preference).

After lunch, there is time to explore the historic treasures of Walhalla. The famous 'Long Tunnel Extended' gold mine offers underground tours at 1pm and 2pm, so you may book this underground tour yourself, **but only if you are not doing the optional Lunch and the WGR option; as there isn't enough time to do all three.** Visit the many historic buildings and climb to the cricket ground carved high in the surrounding hills. The cemetery, full of history, has graves carved into the

side of a mountain, all within walking distance of this unique mountain township.

The Walhalla Goldfields Railway will be running a return journey at 3pm. We have chartered this trip for our passengers from Walhalla station to Thomson and return, so please book your ticket for this option.

RAIL ONLY

Travel through the mysterious Haunted Hills, Hearnes Oak and Morwell before arriving in Traralgon, where you will spend a leisurely afternoon. Enjoy a meal in a local hotel or café. Then relax back on the train as our locomotives begin their sprint westward on a course for home.

AIR CONDITIONING

If you wish for a little more travelling comfort, choose the option of cloth seating in an air-conditioned (and heated) carriage. This option is at a small extra cost.

ON TRAIN SERVICE

Our on-train facilities include kiosks, which stock a wide range of light refreshments, souvenirs and hot and cold drinks. A licensed bar will also be open serving a range of wine, beers and spirits. Our courteous train officers will be on hand throughout the journey to provide any assistance to ensure an enjoyable and safe day. •
