STEAM TO THE WEST COAST ON BOARD THE

WARRNAMBOOL WESTCOASTER

SATURDAY 12TH OCTOBER

Saturday 12th October 2019 will see steam locomotive R711 and diesel locomotive S313 thunder towards the Great South Coast from Melbourne and Geelong to Warrnambool.

With the trip beginning at Melbourne's Southern Cross Station, the train will head out of the city and towards Geelong. Here we will make a short stop to pick up passengers before we attack the famous Geelong Tunnel. R711 and S313 will make easy work of the line as they pick up speed and head towards the volcanic plains of Colac and Camperdown. From Camperdown look out above as R711 and S313 race a Grumman AgCat G164 1960s vintage aeroplane between Camperdown and Allansford (weather dependant). The countryside will soon pass us by and all too soon the famous Lady Bay will come into view as we descend into the seaside city of Warrnambool.

Upon arrival in the Great South Coast, tour options are available to add onto your fare. Why not try a sightseeing trip along the Great Ocean Road for the afternoon, perhaps head off for lunch with some fine wines at a local winery, or how about a laid back pub tour around town. These tour options are further outlined below.

Those who choose to go their own way will have just over 5 hours to explore the town. Perhaps a visit to The Flagstaff Hill Maritime Village, or a walk through Lake Pertobe Park to the beach. Otherwise it is a short walk into the town centre of Warrnambool to find lunch, visit the Art Gallery or explore the CBD.

The local Rotary Club will have a BBQ near the station and the Model Railway Club are only a short 300 metres away and will be open for viewing.

While in Warrnambool, we will be offering the opportunity for the South West's locals to join us onboard the train. Further information on our Local Steam Shuttles can be found below.

Departing Warrnambool at 6.50pm, sit back and enjoy the sounds of the steam and diesel locomotives working together to get the train underway. A short stop at Camperdown for train running purposes, before we make another stop just prior to Birregurra to water our locomotive and cross a normal V/Line service. With the locomotive topped up, we will begin the dash home to Melbourne, making a quick stop in Geelong and arriving into Southern Cross Station at 11pm.

OPTIONAL PHOTOSTOP

We are offering a limited number of passengers an opportunity to take part in a photostop. Disembark the train at our pre-prepared location and watch as the train sets back to allow the photoline of passengers a chance to snap their train in motion.

This opportunity is strictly limited to 150 people. In the interests of safety, Steamrail reserves the right to deny access to the optional photostop at Steamrail's discretion.

Please Note - Passengers opting to join the photostop cannot also book the Great Ocean Road Tour. The photostop will occur after passengers disembark for the tour.

GREAT OCEAN ROAD & LUNCH TOUR**

Disembark the train at Birregurra Station and take a coach ride for an included lunch. After lunch, reboard the coach and see the sights as you travel to the Great Ocean Road. Here you will see the world famous 12 Apostles and view the Bay of Martyrs or The Loch Ard Gorge (time dependent). After taking in these sights, follow the coastal route back to Warrnambool to meet the train, ready to return to Melbourne.

Please Note – Passengers opting to join the Great Ocean Road Tour cannot also book the photostop as this will occur after disembarking for the tour. ** This option will be conducted subject to minimum numbers.

WINERY LUNCH & LOCAL SIGHTSEEING ***

Board a coach to The Basalt Wines Vineyard and sit down in the newly opened cellar door to sample their Tastes of the Region Menu. Included is a pairing of 7 award winning Basalt Wines.

After lunch, board the coach to return to Warrnambool Station via the scenic route. Take in the beautiful Tower Hill Wildlife Reserve, the dormant volcano famous for its extensive forest rejuvenation and its abundant wildlife. If time and weather permits, visit the Iconic Warrnambool Breakwater to view the rugged beauty of Warrnambool's Coast.

*** This option will be conducted subject to minimum numbers.

WARRNAMBOOL PUB TOUR ****

Once you arrive in Warrnambool, step off the train and be guided to some of the town's finest establishments. Enjoy lunch (at your expense) with a reservation at The Flying Horse Bar & Brewery before sampling what the rest of the area's publicans have to offer. Head out to Allansford's famous Junction Hotel before returning to town and visiting Warrnambool's Whalers Hotel (if time permits).

Stick around for as long as you'd like or go your own way before the train's departure for Melbourne.

**** This option will be conducted subject to minimum numbers.

WARRNAMBOOL LOCAL STEAM SHUTTLES

Once in Warrnambool, we will be offering the opportunity to join us for two steam and diesel hauled shuttles. Board the train at Warrnambool Station for departure at either 2:30pm or 3:10pm. From here, the train will be hauled 10 kilometres east by our heritage 1961 S-Class diesel locomotive, S313. From here the train will return to Warrnambool station, led by the iconic blue 1951 North British built steam locomotive R711.

Please Note: Purchasers of the Tickets for the "Warrnambool Local Steam Shuttles" may notice that the location shown on the Ticket is shown as Southern Cross. As Southern Cross, is the default venue location in TryBooking, please ignore this location information.
